### Media Release

GRM policy defines a student’s photograph as “Student Directory Information” and thus is public information unless you provide the appropriate notification to the school that you would not like this information to be public. If your child’s information is public, for example, your child’s photo and name may appear in school pictures and classroom publications. Also, should your child or school receive a public honor or recognition, the school would provide your child’s school picture to the honoring organization and/or media upon request.

In addition, GRM asks for your consent for the following purposes: **(Please initial all that you provide permission and consent for)**

- During the school year, the media may visit your child’s school, with school permission and parents notified in advance, to cover special events and may want to interview, videotape or photograph your child. \_\_\_\_\_
- GRM may also wish to use your child’s photograph, voice, likeness or student work for promotional and educational reasons, such as in publications, posters, brochures, newsletters and videos; on the school websites; on local cable television channels; or at community events (e.g. expos or fundraisers). \_\_\_\_\_
- GRM does have a presence in social media to keep parents and the community informed about the school and upcoming events and may use your child’s photograph, videotape, or special projects on their school Facebook page or website. \_\_\_\_\_
- GRM wishes to create photo albums within Montessori Compass. These photos can only be viewed by parents/guardians with login access to Compass. \_\_\_\_\_
